To

The Secretary to Government,
Public Works Department,
Fort St. George, Madras.9.

No. E1/A4/F52S- 66 dated 12-12-1955.

Sir,

Sub: South Kanara Extensions - Provision of fans in the Inspection Bungalow and Assistant Engineers Quarters at Mangalore Substation - Approval of Government Requested.

Under the South Kanara Extension scheme, sanctioned by Government in G.O.Ms.No.441, dated 25.2.1952, electrification of the Inspection Bungalow and the residential quarters of the Assistant Engineer at Mangalore Substation is being carried out against duly sanctioned estimates. As per G.O.Ms.No. 2218, dated 6.6.1955, approval of Government is required for provision of fans in Government buildings. The requirements of fans for the Inspection bungalow and Assistant Engineers quarters are three and one respectively as per standards prescribed in Annexure B of Appendix XIII of the Madras Electricity Department Mannual Vol.II. As the buildings are expected to be completed shortly, I request that the Government may be pleased to sanction provision of 4 ceiling fans as stated above, which are the minimum requirement.

V.P. Appadurai

iii) My letter E1/A4/F.52S-72 dt.13.3.56.

--o--

Government's approval for the installation of four ceiling fans for the Inspection Bungalow and Assistant Engineer's quarters at Mangalore Substation was sought for in this office letter E1/A4/F.52S-66 dated 12-12-55. The estimated cost for the installation of the above fans was also furnished to the Government in my letter dated 13.3.56. The substations, quarters and the inspection bungalow have all been completed. The substation will also be commissioned in the course of a week. I therefore request urgent sanction for the installation of fans.

P.W.D.(E 2)

Sub: Elecy. Deptt. - Provision of fans in Inspection Bungalow and Assistant Engineer's quarters at Mangalore Sub-station.

Ref: From the C.E.(E) Lr.No.E1/A4/F.52,S.66, dt. 12-12-55.
From the C.E.(E) Lr.No.E1/ A4/F.52(s) 72, dt. 13-3-56.

The C.E.(E) has stated that against the estimate of the South Kanara Extension Scheme, electrification of the Inspection Bungalow and the residential quarters of the A.E. at Mangalore Sub-station is being carried out. He has also reported that the requirements of fans for the inspection Bungalow and A.E.'s quarters are three and one respectively as per standards prescribed in Annexure 'B' of Appendix XIII of the M.E.P. Manual Vol. II. As per para 3 of G.O.No.2218, P.W., dt.6-6-55, approval of Govt. is required for the installation of fans. The C.E.(E) has requested approval for the installation of 4 ceiling fans as the buildings are expected to be completed shortly.

2. It has been ascertained from the C.E.(E) that the estimated cost for the installation of four fans would be Rs. 800/- The proposal to provide 3 ceiling fans to the Inspection bungalow may be agreed to. It does not seem necessary to provide a ceiling fan to the residential quarter of the A.E. and it may be disallowed, as there is no pressure a ban on the provision of fans in residential buildings if this is agreed to, the expenditure will come to Rs. 600/-. This will be debitable to the estimate for the South Kanara Extension scheme sanctioned in G.O.No.441, P.W., dt. 25-2-52.

3. Fin. may see for remarks.

The ban against provision of fans was only till 31-3-56 - Has this ban been extended further?

6/4/56.

Please see the query of A.S. at the bottom of p.1 ante. Submitted that the ban on the provision of fans for Govt. Buildings has not been imposed for any stipulated period. It continues to be in force even now - Vide P.W. Memo No. 4596 C/50-5 dated 27-11-50.

2. The ban on the electrification of Inspection Bungalowsand the slowing down of electrification of buildings (residential and non_residential) only is being extended periodically. The ban imposed in G.O.Ms.No. 2401 P.W. dt. 23-6-55 expired on 31-3-56. Orders continuing this ban for another year from 1-4-56 are under issue.

Through "C"

The installation of 3 ceiling fans in the Inspection Bungalow may be sanction. The fan proposed for the A.S's Quarters may be disallowed

NOTE FOR CIRCULATION

The file relates to the proposal of the C.E.(E) to provide three ceiling fans for the Inspection Bungalow and one ceiling fan for the A.E's. quarters at Mangalore Sub-Station.

2. The C.E.(E) has stated that against the estimate of the South Kanara Extension Scheme, electrification of the Inspection Bungalow and the residential quarters of the A.E. at Mangalore-Sub-Station is being carried out. He has also reported that the requirements of fans for the Inspection Bungalow and A.E.'s quarters are three and one respectively as per standards prescribed in Annexure 'B' of Appendix XIII of the M.E.D. Manual Volume II. As per para 3 of G.O.No.2218, P.W., dt. 6.6.55, approval of Govt. is required for installation of fans. The C.E.(E) has therefore requested approval for the installation of 4 ceiling fans as the buildings are expected to be completed shortly.

3. The estimated cost for the installation of four fans is reported to be Rs.800/- This department proposed to ~~agree to~~ approve the proposal to provide three ceiling fans ~~to~~ in the Inspection Bungalow and considered not necessary to provide a ceiling fan ~~to~~ in the residential quarters of the A.E. Finance Deptt. have ~~concurred~~ agreed with this deptt. The expenditure on the provision of three ceiling fans would be only Rs.600/-.

4. A draft order is submitted. The file may be circulated to M(W) for approval of the draft order.
